

Our Hydronics Division specializes in the application and sale of radiant systems, hot water, chilled water, steam equipment and specialties for the residential, commercial, institutional and industrial markets.

Value added services include plan and specification take-offs, design/build consultation and quotations, system and component problem solving, application engineering, site surveys, field visits and after sales support.

- Commercial Pumps, Booster Systems, Chilled Water/Heating Water Integrated Packages, Controls
- Fire Pumps, Jockey Pumps, Controllers, Packaged Systems with or without Enclosures
- Circulators, Boiler Feed, Condensate, Regenerative Turbine and End Suction Pumps
- Effluent, Waste Handling Pumps, Packaged Sump Lift Stations
- Suction Diffusers, Triple Duty Valves, Expansion Tanks, Air Separators
- Flexible Connectors, Expansion Compensators, Pipe Guides
- Steam Traps, Regulators, Heat Exchangers, Clean Steam Systems, Condensate Recovery, Valves
- Pressure Gauges, Thermometers, Temperature Regulators
- Storage Tanks, Steam and Hot Water Boilers
- T&P, Pressure Relief, Pressure Regulating Valves, Backflow Preventers and Radiator Valves
- Steam and Hot Water Unit Heaters
- Boiler Feed and Low Water Cut-Off Controls
- Radiant Piping Systems
- Fabrication Services: Pipe Cutting and Threading through 12", Roll-Grooving through 16"

PUMPS:

Circulators • Centrifugal • Sump • Dry Pit • Boiler Feed • Chemical Feed • Condensate • Industrial Coolant • Metering • Sewage and Waste Water • Pressure Booster Systems • Rainwater • Regenerative Turbines • Fire Pumps • Fire Systems • Fire Pump Enclosures

WASTEWATER:

Pumps • Effluent Filters • Step Systems • Treatment Systems • Controls • Accessories

HEAT TRANSFER:

Shell and Tube / Plate and Frame Heat Exchangers • Steam and Hot Chilled Water Coils

BOILER ROOM / STEAM SPECIALTIES:

ASME Expansion Tanks • Air Separators • Pressure Vessels • Steam Traps • Filters • Controls • Regulators • Strainers • Pipeline Auxiliaries

VALVING / ACTUATION:

Gate • Globe • Ball • Check • Non-Slam Check • Blowdown • Triple Duty • Circuit Setters • Solenoid and Zone • Electric and Pneumatic Actuators

BOILERS:

Space Heating • Steam • Hot Water and Domestic Water

CONTROLS:

Boilers Safety Controls • Flow Switches • Gauges • Thermometers • Control Valves • Temperature and Pressure Regulators • Fire Pump • Jockey Pump Controllers

OTHER PRODUCTS:

Fin Tube Radiation • Unit Heaters • Flex Connectors • Vibration/Seismic Control • Radiant Tubing • Fittings and Controls
